

Refurbishment and Extension

Scheme Details

The small works at Bentley were completed within 14 weeks, and the Lamborghini project completed shortly after. The Bentley Showroom works involved a new valet bay, extended car parking area, re-sprayed steelwork and redecoration of the existing showroom. Lamborghini's works included a refurbishment of the valet bay and preparation area, new shop-front and entrance, and internal fit out.

Start: June 2013

14 weeks
