

Refurbishment

Scheme Details

Refurbishment works of a 380,000 SQFT former Distribution Centre based in Lutterworth. Project involved the demolition of the existing mezzanine structures, extensive racking removal, new dock leveller doors and curtain walling, a new internal office suite, full re-decoration of the building and amendments to the car parking facilities. The roof was treated to provide a 25 year guarantee.

Value: £7 Million
Programme: 38 Weeks
