Lok'N Store - Stevenage

New Build

Scheme Details

Project Value: £2.3m

Programme: 29 weeks

Another new build self-storage development for our long-standing client Lok N Store Limited. At the time of construction, MCS also had two other live LNS sites in Warrington & Wolverhampton. The works at Stevenage included the erection of the steel frame, roofing & cladding, parking facilities, fencing and landscaping, glazing and all associated external works.
