

New Build

Scheme Details

Project Value: £8m

Programme: 37 weeks

This new build scheme is located on a newly developed retail area of Horizon 38 Business Park in Bristol. The works included the construction of a speculative 2 storey office & warehouse facility with external service yard and staff parking areas. Other works involved were the erection of steel frames, cladding, installation of dock leveller doors, all M&E works, internal fit-out and decoration, car parking and landscaping.
