

New Build

Scheme Details

**Project Value: £9.5m**

**Programme: 39 weeks**

This project in Walsall involved the demolition of existing development and buildings, to create 113, 641 sq. ft. of brand new industrial/warehouse distribution centre for client St. Francis Real Estate. The works included dock level doors, 106 car parking spaces, all associated landscaping works, and first floor office space.
