

At MCS Group, our vision is to maintain our status as a building contractor working within the motor retail, commercial, industrial, residential, and educational sectors from new build to refurbishments projects, delivered throughout the UK.

Our principal aim is to always supply to our clients, with building solutions and client service that complies with current standards and legislation and conforms exactly to stated or agreed specifications / order requirements. The Directors and Management of MCS group recognise the implementation of quality disciplines and their compliance to independent standards are an integral part of the Company's ability to meet client requirements. We demonstrate this recognition through the establishment, implementation, review, and continual improvement of an effective quality management system which is certified and meets the requirements of ISO 9001:2015.

It is the Directors and Management's desire to ensure that the Company complies with and fully embraces the spirit of the requirements of ISO 9001:2015 which shall be subject to both Internal and External Audit at regular intervals. This will provide a framework for establishing and reviewing quality objectives and enable us to maintain a structured and consistent approach to business, maximise internal efficiency and maintain through its adoption, the very highest standards of customer care possible.

Our QEMS is based on the requirements of ISO 9001, and ISO 14001 and the company is fully committed to fulfilling these requirements. The QEMS provides a framework for a risk-based approach to thinking, managing opportunities and mitigation of risks and has been developed to enable full integration of in-house, product, industry best practice and client specific requirements.

## MCS group has established this policy and confirms that it:
